Taiwan Summer Mission

Contact Person: Pastor Benjamin Chen

Do you know that only less than 4% of Taiwanese people know the LORD? Walking on the streets of Taiwan, how can we not be greatly distressed as Paul was in Athens seeing the city was full of idols? As learning English becomes more and more important in Taiwan and as the younger generation is more open to Christianity, it is the golden opportunity for oversea Christians like us to go for missionary works. Our mission focuses on evangelism in rural Taiwan by teaching English and Youth Gospel Camps to outreach the schools and communities through local churches. Whether you are from Taiwan or not, we invite you to join us in proclaiming the Gospel!

*** Who are we looking for?** 17 years and above, born again Christian
